**Subject:** FYI - COE Correspondence with HudBay on Rosemont 404 permit.  
**Attachments:** HudBay Letter 2016-12-28.pdf; 17NOV16 HB Ltr.pdf

All – Attached please find the correspondence from HUDBAY/Rosemont (Nov 17, 2016) to the S. Pacific Division/COE and the COE response (12/28/16). I understand some may have received this from Kathy G. when I was out of the office. It would be appreciated in future if I was cc'd on COE info directly related to Rosemont. I have this now because I called the Region, trying to get an update for Kelly. I know that with the transition and changes in mgt. things drop through the cracks, but I think we should try to keep other FALS apprised of information that is important to their projects. In addition, I think we should encourage the Regional Coordinators to send this type of info the lead FALS as well.

It might be worth a few minutes to have a chat about what we think the 12/2/8/16 means to the FS and to us and our process.

Thks kindly., E...
